When Jessica and her brother James finally left for college, she had high hopes that it would be everything she dreamed of; a fresh start, a chance to live on her own and join the college paper. Until she saw Saneville for the first time. In the town that time had forgotten, everything was strange. From obscure local legends, to gnomes that seemed to move on their own; even the house seemed haunted. There was something strange happening in Saneville, and Jessica was determined to get to the bottom of it. With the help of James and their new house mates, Jessica discovers the startling truth about Saneville, the dark underside that no one wanted them to find. They tried to warn her, but she just couldn't give up a good story... Welcome to Saneville and the Case of the Hoarding Houseguest.
